ABOUT US

Vani Engineering is an interior contract company established in 2016. Our ethos is excellence in design and delivery; working across architecture, master planning, interior design, and 2D/3D design,

- The company is well placed to offer speedy execution in respect of interior decoration with a large team of workforce of carpenters, interior masons etc. The company has also created and strengthened in house capabilities for supervision and execution of large turnkey jobs involving the entire scope of interior works like partition, paneling, false ceiling, furniture, all interior civil works and the finishing works.
- We are dedicated to give our best to satisfy every customers by having a solid network with suppliers and field workers. In the long term business plan, we are looking forward to give more contribution for this planet by planning, designing and constructing the best we can. The professionalism at all level ensures that the planning and preparation gives the customer top quality results. We will always put in front that customer satisfaction is the most important thing to maintain.
- All clients are provided with a full-time dedicated team that ensures adherence to budget and timelines.
- We incorporate end-to-end process within a project by providing all the required services to design & build your interior space by managing the project from the first point of contact through to handing over the keys.

MISSION & VISION

Our Mission is to understand our clients' cultural, functional, operational and commercial needs, drawing on our Thought Leadership and experience to facilitate solutions that work, we believe these to be the essence of good design.

Our Vision is to develop design & implement the most innovative yet cost effective solution for each project of its size whether it is fresh design or a total redesign to increase the amount of usable space.

We strive to create the best solutions for client's projects and to ensure high quality and timely project execution. We believe that quality and timing project implementation are very critical to the success of our business.

WHY CHOOSE US

WE CARE.

Our interior designers in Gurugram collaborate with you to get a clear understanding of your needs and requirements for the space, allowing them to produce a comprehensive & detailed plan that gives you an overview of the costs and time frame for sound decision-making.

WE DELIVER.

The best decisions are a result of the most thorough and meticulous planning. As such, our luxury interior design company in Gurugram uses physical models and mock-ups to examine the context of a space and deliver innovative solutions to better serve your company.

WE`RE CREATIVE.

As one of the best interior design companies in Gurugram, we have mastered the perfect combination of light, space and all the fine details necessary to create an unforgettably luxurious experience for everyone utilising the space
